Subject: Follow-up to last week's general - Any updates on items below?

Hi Marion,

I just wanted to check in with you on a couple of items.

1. Spinetoram – New use/new product 8329-RRA: Clarke (spinetoram attached to sand granule)
 - a. You were going to follow up with Chris O. on the status.
 - b. EFED is completed the Drinking Water assessment 6/2/20 and the RA was completed 7/9/20.
2. Aldicarb: Any information from the RD/IO or IO (Mike/Ed)?

Thanks!

Debra
